Emergency Bridge Repair On I-5 North of Weed

REDDING – The California Department of Transportation (Caltrans) will begin the replacement of a section of steel reinforced concrete bridge deck on Northbound Interstate 5 at the Shasta River Bridge near Weed in Siskiyou County. Work will tentatively begin on Sunday, October 24, 2004 with anticipated completion by Monday, November 1, 2004. Work will be conducted daily 6 a.m. and 6 p.m.

This schedule is subject to change based on weather, production rates and unforeseen conditions. Travel will be restricted to one lane with concrete barrier between work and traffic. The barrier and lane closure will be in place 24 hours per day during this bridge repair.

The contractor for this project is Shasta Constructors, Inc of Redding. For more information please contact the Caltrans Resident Engineer, Tony Pascal, at 225-3288.
